CATHEDRAL OF THE HOLY FAMILY

5TH SUNDAY IN ORDINARY TIME

JUBILEE PILGRIMS OF HOPE: SIGNS OF GOD'S LOVE

In the last Ordinary Jubilee, we crossed the threshold of two millennia from the birth of Jesus Christ. Now the time has come for a new Jubilee, when once more the Holy Door will be flung open to invite everyone to an intense experience of the love of God that awakens in hearts the sure hope of salvation in Christ. The Holy Year will also guide our steps towards yet another fundamental celebration for all Christians: 2033 will mark the two thousandth anniversary of the redemption won by the passion, death and resurrection of the Lord Jesus. We are about to make a pilgrimage marked by great events, in which the grace of God precedes and accompanies his people as they press forward firm in faith, active in charity and steadfast in hope (cf. 1 Thess 1:3).

In addition to finding hope in God's grace, we are also called to discover hope in the signs of the times that the Lord gives us. As the Second Vatican Council observed: "In every age, the Church has the responsibility of reading the signs of the times and interpreting them in the light of the Gospel. In this way, in language adapted to every generation, she can respond to people's persistent questions about the meaning of this present life and of the life to come, and how one is related to the other". We need to recognize the immense goodness present in our world, lest we be tempted to think ourselves overwhelmed by evil and violence. The signs of the times, which include the yearning of human hearts in need of God's saving presence, ought to become signs of hope.

Signs of hope should also be shown to the sick, at home or in hospital. Their sufferings can be allayed by the closeness and affection of those who visit them. Works of mercy are also works of hope that give rise to immense gratitude. Gratitude should likewise be shown to all those healthcare workers who, often in precarious conditions, carry out their mission with constant care and concern for the sick and for those who are most vulnerable.

Inclusive attention should also be given to all those in particularly difficult situations, who experience their own weaknesses and limitations, especially those affected by illnesses or disabilities that severely restrict their personal independence and freedom. Care given to them is a hymn to human dignity, a song of hope that calls for the choral participation of society as a whole.

The elderly, who frequently feel lonely and abandoned, also deserve signs of hope. Esteem for the treasure that they are, their life experiences, their accumulated wisdom and the contribution that they can still make, is incumbent on the Christian community and civil society, which are called to cooperate in strengthening the covenant between generations. Here I would also mention grandparents, who represent the passing on of faith and wisdom to the younger generation. May they find support in the gratitude of their children and the love of their grandchildren, who discover in them their roots and a source of understanding and encouragement.

Holy Family Prayer

Most Beloved Sacred Heart of Jesus, As you are the Father's Beloved Son in whom he is well pleased, May we serve others in love as we have been served in love.

Most Blessed Immaculate Heart of Mary As All generations call you blessed through your fiat, May we too move with haste to share the gift of God's love to others.

Most Betrothed Chaste Heart of St. Joseph As you took Jesus and Mary into your home, May we foster free, faithful, fruitful and total love in our family.

Holy Family of Nazareth, grant that our families too may be places of communion and prayer, authentic schools of the Gospel and small domestic churches, Jesus, Mary, and Joseph, Graciously hear our prayer. Amen.
